LIVE & ENJOY TULUM

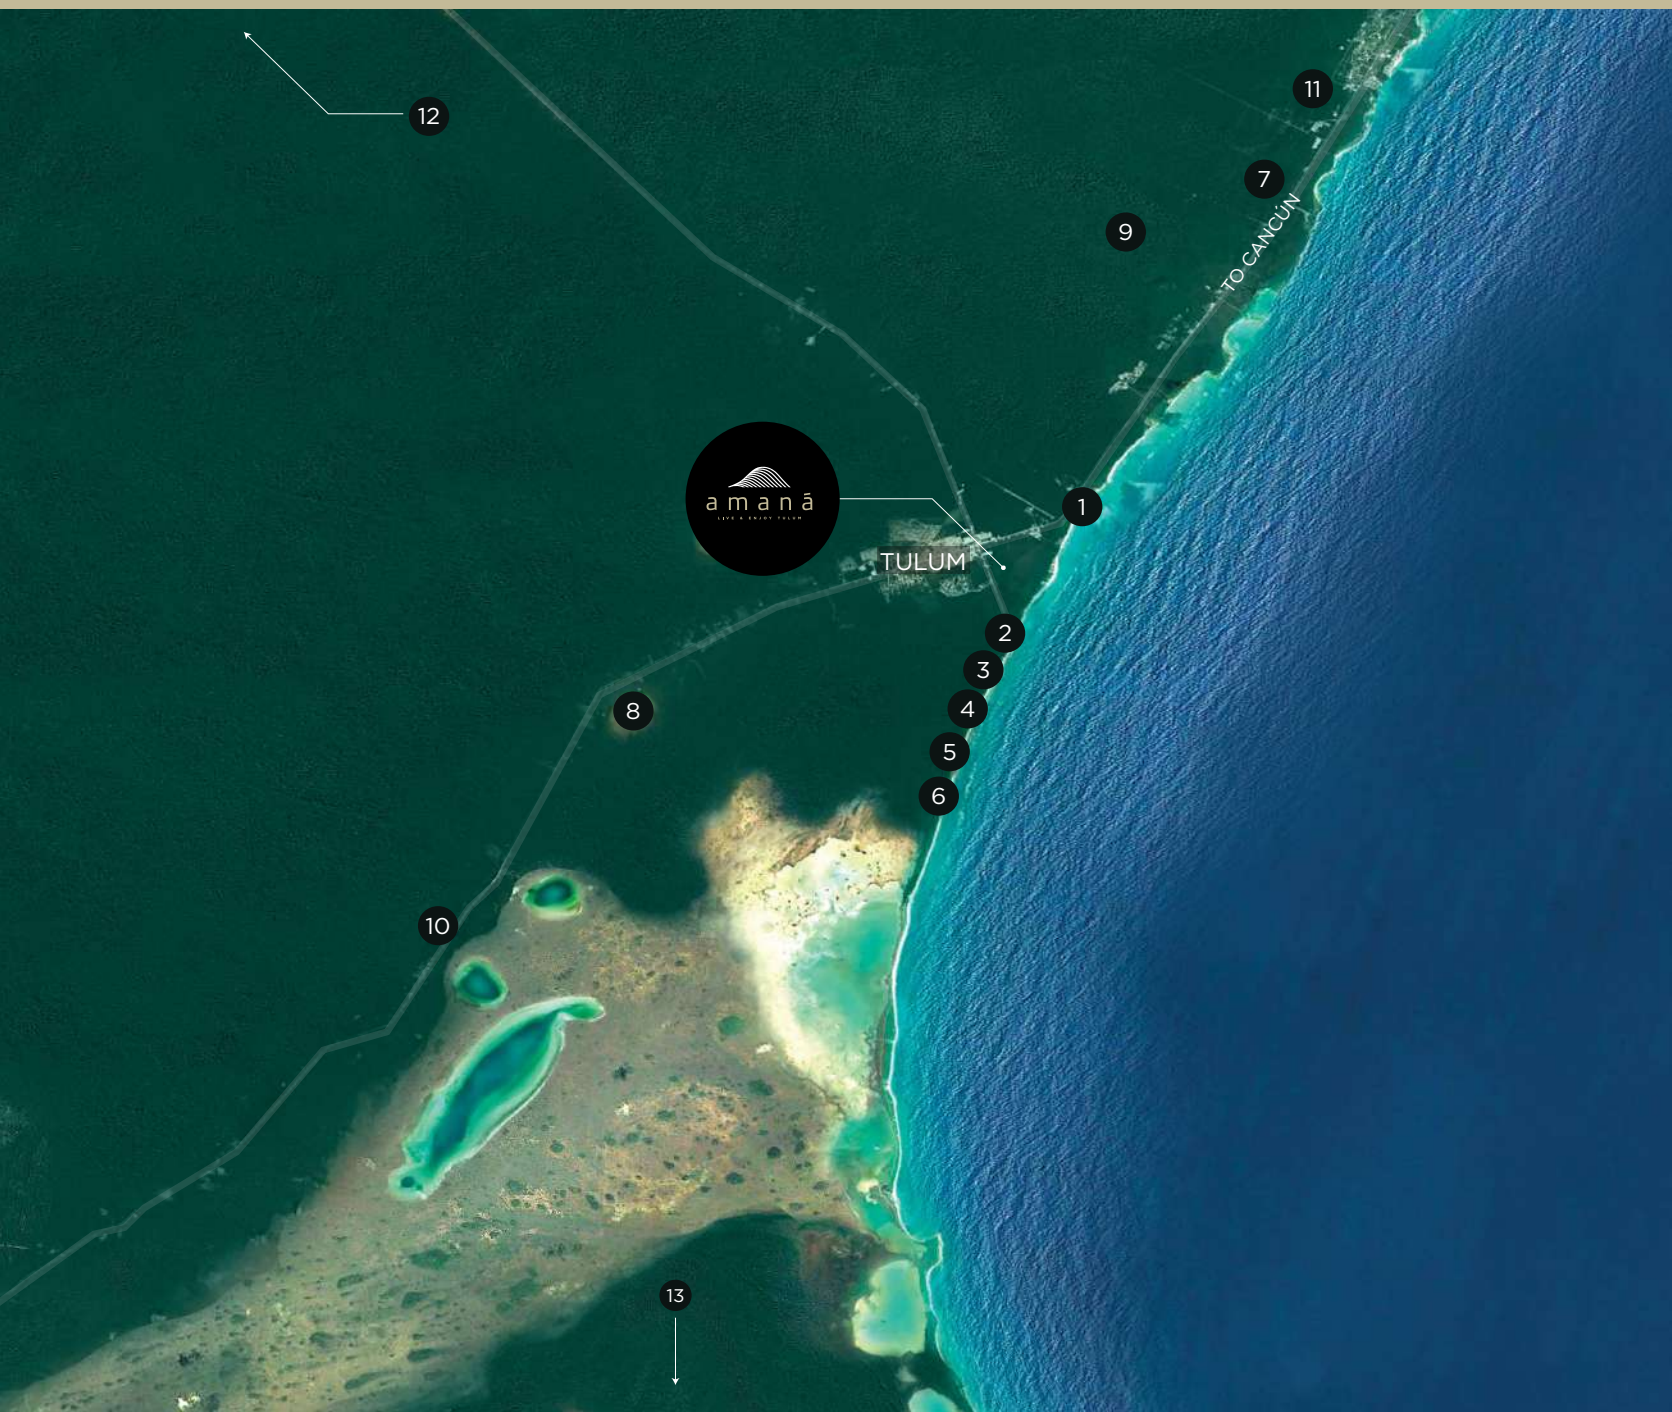

A paradise in the Mayan Riviera

Framed by the crystal-clear turquoise waters of the Caribbean Sea, pristine white-sand beaches, lush jungles that echo with the cries of tropical birds, mirror-like, apparently bottomless, cenotes, and, of course, the world-famous Mayan ruins, **Tulum** is the closest thing to paradise that you will find.

Immediately enthralled by all this breathtaking beauty, visitors soon discover that there is a wide variety of amenities, ranging from gourmet restaurants and charming boutique hotels to yoga retreats.

AN IDEAL LOCATION:

Located just minutes away from the beach, **Amaná** is also a short, leisurely bike ride away from downtown Tulum and within easy reach of a wide range of tourist attractions.

Amaná Tulum is a new development by Black Development Group, a Mexican company specializing in high-end residential complexes, with several successful projects in Mexico that exemplify its commitment to state-of-the-art design, cutting-edge 'green' architecture, and environmental conservation.

Amaná was designed by the award-winning firm of Niz + Chauvet Arquitectos who for almost two decades have created a wonderful portfolio of residential buildings, exciting hotels as well as other retail projects.

In the Mayan Riviera, Niz + Chauvet Arquitectos have designed well-known hotels such as the Thompson Hotel Downtown, Mandala Hotel & Spa and Paradisus by Melia Hotel.

While in Mexico City, one of their better-known hotels is the Live Aqua Bosques.

Amaná is located in the heart of **Tulum**, close to the downtown district and close to the sea. The property is easily reached by car or other transportation services from the Cancun International Airport.
